About Company

D2S Group is a professionally managed Integrated Security and Facility Management Company committed to delivering reliable, innovative, and customer-focused solutions across diverse industries. We specialize in providing comprehensive security, housekeeping, technical maintenance, manpower outsourcing, and integrated facility management services tailored to the unique needs of our clients.

At D2S Group, we believe that people, technology and processes are the foundation of exceptional service. Our team consists of carefully screened, professionally trained, and customer-oriented personnel who are dedicated to maintaining the highest standards of safety, cleanliness, operational efficiency, and service excellence.

As we continue to expand our presence across India, D2S Group remains dedicated to setting new benchmarks in the security and facility management industry through innovation, integrity and dependable service.

Our Value

Mission

- To deliver exceptional security and facility management services with uncompromising quality.
- To build long-term partnerships based on trust, transparency, and reliability.
- To develop skilled, disciplined, and customer-focused professionals through continuous training.
- To embrace innovation and technology for efficient service delivery and operational excellence.
- To maintain the highest standards of safety, compliance, and ethical business practices.
- To contribute to the growth of our clients by creating secure, productive, and well-managed workplaces.
- To become one of India's most trusted and respected Security & Facility Management organizations.

Vision

To become India's most trusted and respected Integrated Security & Facility Management Company by delivering world-class services, embracing innovation, developing exceptional people, and creating long-term value for our clients, employees, and society.

We envision building a future where D2S Group is recognized as a symbol of Trust, Integrity, Service, and Operational Excellence, setting new benchmarks in the security and facility management industry across India.

BUSINESS DEVELOPMENT

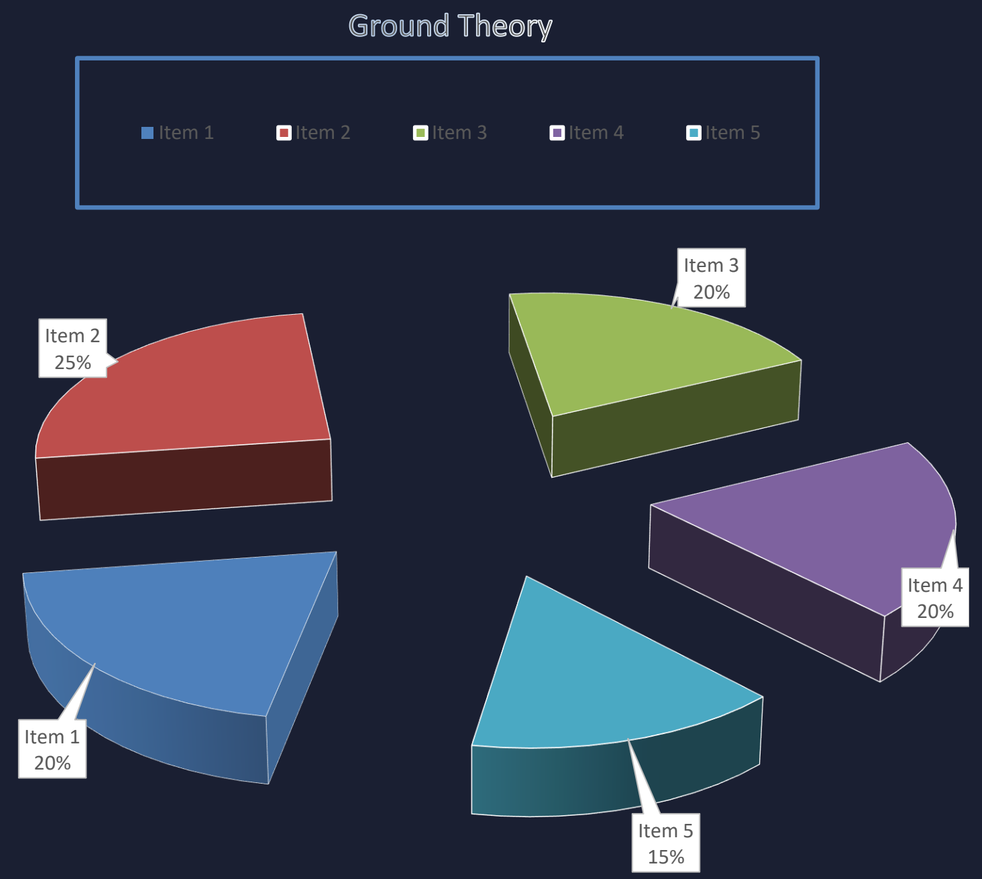
Identifying new site’s opportunities and building long-term strategic relationships to accelerate business growth.

ACTION PLAN

Developing actionable go-to-site’s strategies, customer timelines and resource allocations for measurable ROI.

Market Analysis

Item 1 (20%): Candidate Absenteeism & Replacement Challenges
Item 2 (25%): High Attrition
Item 3 (20%): Reliever Challenges
Item 4 (25%): Payment & Rate Cut Pressure
Item 5 (15%): Compliance & Vendor Friction



Icon 1 (Hand & Money): Reliability & Low Attendance: Candidates failing to report for interviews or duty after selection (No-Show), alongside unannounced resignations (High Attrition).

Icon 2 (Screen & Analytics): Quality & Skill Gaps: High demand for skilled workforce versus the ground reality of candidates lacking requisite training and technical skills.

Icon 3 (Currency Exchange): Margin & Compliance Pressure: Managing delayed client payments and sustaining profit margins while ensuring strict statutory compliance (PF, ESIC, Labour Laws).
